

## **Active Communities Programme - eligible organisations**

The Active Communities Programme will only award grants to the following types of organisations which have been set up for three months:

### **Incorporated organisations:**

- A charity registered in England, Scotland or Wales
- Charitable incorporated organisation
- A company limited by guarantee
- A Community Interest Company limited by guarantee (not shares)
- Charitable Community Benefit Societies
- Community Benefit Societies with a charitable asset lock and clearly defined members

In line with good practice incorporated organisations should have a minimum of three unrelated\* trustees or directors.

Or

### **Unincorporated organisation/Constituted Community organisations:**

You must be a constituted group or voluntary organisation or association with a social / charitable purpose and at least three unrelated\* people aged over 18 on the management committee and have been running for at least three months.

### **Exclusions:**

The Active Communities programme will not award funds to Companies limited by shares or Limited Liability Partnerships.

\*Related means any family member whether a blood relative; or by marriage or civil partnership or by common-law. Directors, trustees or management committee members can be related but they must not form the majority on the Board or committee.
